MEMORANDUM FOR: CHAIRMAN, JOINT CHIEFS OF STAFF

SUBJECT: Overseas CIA Logistical Support Bases

1. Reference is made to memorandum (SM-1196-53) from the Deputy Secretary, Joint Chiefs of Staff, dated 18 June 1953, concerning the above subject. We agree that review by the Joint Chiefs of Staff is appropriate and necessary in any final CIA requirements which are determined by the responsible military service to be beyond the scope of existing logistical support policies. In this respect, our requirements have been reduced materially since our memorandum to you of 12 December 1952, and no major problems are anticipated in the present coordinated planning being conducted between this Agency and the military services. 25X1 25X1

4. The guidance and support furnished by the military services to this Agency in developing world-wide logistical bases has been of immeasurable value and has contributed materially to the progress already made in the over-all program. We will continue to plan in detail with the appropriate military services in order to finalize our requirements for current activities and preparation for the contingency of general hostilities, including firm materiel, personnel and facility needs.
